

Subject: Important Notice Regarding Canine Health at Blue Ridge Dog Daycare

At Blue Ridge Dog Daycare, the health and well-being of our furry guests are our top priorities. We would like to bring to your attention the importance of maintaining a healthy environment for all dogs in our care.

If your canine companion is exhibiting any of the following signs:

- Coughing
- Sneezing
- Fever
- Lethargy
- Wheezing
- Nasal discharge

We kindly request that you keep them at home until they are back to their normal, healthy selves. In the event your dog is displaying these symptoms, we strongly recommend consulting with your veterinarian promptly for a thorough health check.

By adhering to this practice, we can collectively contribute to the overall health and safety of our four-legged friends. Should you have any concerns or need assistance with rescheduling your daycare or boarding appointment, please do not hesitate to reach out to our team.

Thank you for your understanding and cooperation. We appreciate your commitment to the well-being of all the dogs in our care.

Wishing your furry family member continued good health!

Best regards,

Blue Ridge Dog Daycare
